

TRIOLOGICAL SOCIETY/ AMERICAN COLLEGE OF SURGEONS 2019-2020 CLINICAL SCIENTIST DEVELOPMENT AWARDEES

These competitive grant programs are designed to facilitate the research career development of otolaryngologists-head and neck surgeons with the expectation that the awardee will have sufficient pilot data to submit a competitive R01 proposal prior to the conclusion of the K award. These awards provide financial support in the amount of \$80,000 per year for up to five years to supplement the K08/K23 award.

Call for Proposals

Application
Deadline
May 22, 2020

If you have a new NIH Mentored Clinical Scientist Development Award (K08/K23) or an existing award with a minimum of 3 years remaining in the funding period as of October 1 of the application year, you may be eligible to submit an application. Applicants must be otolaryngologist-head and neck surgeons who are Associate Fellows or Fellows of the American College of Surgeons. Guidelines are available at www.triological.com/researchgrants.html. Questions may be referred to Gail Binderup, gail@triological.org or 402-346-5500.

Information on grants and scholarships is available at the Triological Society website - www.triological.com/researchgrants.html - and the American College of Surgeons website - www.facs.org.
